

**Greater Washington Association of Health Underwriters**

## **Winter Clothing Collection 2010**

As the season is changing and we move into the colder months, many children and adults will be without the proper clothing to keep them warm.

Many of us have closets full of items that are no longer worn, now is your chance to clean out those closets and help people less fortunate stay warm this winter.

Please donate winter apparel such as coats, jackets, hats, scarves, and gloves.

**\*\*Items should be in good condition and clean\*\***

All sizes needed for adults, teens, children and infants.

Items collected will be donated to Interfaith Works Clothing Center to help those in need throughout Montgomery County, MD.

Please contact Natalie Barakat at (301) 458-2160 or email at [Natalie.Barakat@potomacbasin.com](mailto:Natalie.Barakat@potomacbasin.com) if you have any questions, would like to schedule a private donation drop off or would like to learn more about volunteering.

**By making a donation, you can make a big impact on the lives of others in need.**

**Thank you for your Support!**
